

Add a New Filing for ARPPS-00 Save Cancel

Error:
This filing could not be saved as there is already a filing for the selected year and quarter. You can add contracts to it.

Contract Filing I = Required Information

Select the filing period for this contract filing.
Note: You will only have one contract filing record per fiscal period for the selected funeral home.

If you receive an error such as the one above, it is an indication that you had previously clicked on the START NEW FILING button Start New Filing and started a filing for the current quarter, which was saved and assigned a number starting with AF-00. Once the START NEW FILING button is clicked it creates a Filing ID (AF-00xxxxxx). This error occurs when you leave the system due to an interruption and attempt to create another filing (AF-00xxxxxx) for the same quarter. If you receive this error, please follow the simple instructions below.

1. Login
2. Select Contract Filings
3. Click Unsubmitted
